SYNOPSIS

This transfer will provide for the purchase of seven (7) Utilities Department vehicles which would otherwise be auctioned to the public. The vehicles will be painted and converted to propane for use by the engineering, street, sanitation, Rosehill, Fleet Maintenance and Public Works Department. The transfer in Legal is necessary to cover increased cost incurred this year for law library subscriptions. The transfer in Personnel will provide for the purchase of major office supplies, a health insurance education plan for City employees and a typewriter. The Council Office transfer is for the purchase of a four-drawer file cabinet.

(over)

The Council Office request for a new filing cabinet was withdrawn because Public Works had sufficient funds to provide the Council Office with the file.
